## INTRO:

I wasn't searching for a savior  
I didn't need some kind of sign  
The evidence of something greater  
has opened up my eyes, has opened up my eyes

I believe in You, more than anything  
I receive Your truth, changed my everything  
I become re-newed  
I believe, I believe, I believe in You

All my questions found an answer  
Now I have a case for Christ  
I'll tell the world of my salvation  
That Jesus changed my life, that Jesus changed my life!

### CHORUS 2:

Opened up my eyes, Opened up my eyes
