More than my heart imagines, more than my eyes can see,

You are greater, greater, more than I can sing,  
You are able, able, nothing can contain,  
Your power changes everything, You are able.

More than my hands can labor, more than my strength alone,  
More than my mind can measure, You are able, more than able.

All glory to Jesus, beginning and end,  
All ages, all races, as one church we stand,

## BRIDGE:

(Repeat last line)  
To Him be the glory, forever, amen.
