## INTRO:

### VERSE 1:

Great was the fall, but greater was grace,  
The debt of our sin was paid on the cross we made You,  
Great was our shame, but greater was love,  
The dark deep within You washed in the blood You gave us,  
Your grace has saved us.

### CHORUS:

How beautiful the cross of Jesus!  
How powerful the love that freed us!  
Sin and grave have been defeated,  
How great is His love, How great is the cross of Jesus.

### TURN:

### VERSE 2:

He rose again!
