

Be Still [Lyrics, 6/8]

[Seacoast Worship] by Brandon Lake, Martin Chalk

VERSE 1

In the quiet
In the stillness of the night
In the searching
When I'm looking for the light
When I'm broken
And my heart has lost it's way
In the worry
When I feel I'm far away

You are faithful, always faithful
I will be still and know
You are God

CHORUS 1

I will be still and know
You are with me, You are with me
I will be still and know
You are for me, You are for me
I will be still and know
You are God

VERSE 2

In the waiting
When I'm listening for Your voice
In the calling
When I'm shouting through the noise
Every moment
Every mountain that I face
Every season
Every trial thrown my way

CHORUS 2

I will be still and know
You are with me, You are with me
I will be still and know
You are for me, always for me
I will be still and know
You are God

BRIDGE

When the mountain
is all that I see
You are God
When the valley is
becoming too deep
You are God
You will give me
the strength that I need

CHORUS

I will be still and know
You are with me, You are with me
I will be still and know
You are for me, You are for me
I will be still and know
