[SW]

Intro, V, C, V, C, B, B, Vamp, C, Outro

**INTRO:** (x1)

**VERSE 1:**

This is awakening, Your spirit's beckoning  
Our hearts completely surrendered  
Come stretch what we believe, things that we've never seen  
Are possible in your presence

**CHORUS:**

Let the glory of heaven fill the valleys of earth  
Through your power and presence, let revival birth  
On the mountain of Zion, in the city of God  
Flood our hearts with Your presence - let Your Kingdom come!

**TURN 1:**

**VERSE 1:**

This is awakening, Your spirit's beckoning  
Our hearts completely surrendered

Are possible in your presence

**CHORUS:**

**TURN:** \*BUILD\*

**BRIDGE:**

As praises rise all heaven's drawing near  
Your spirit's shaking up the atmosphere  
Let us be marked by what you're doing here, as Your Kingdom comes

**BRIDGE:**

**TAG:**

as Your Kingdom comes

**INSTRUMENTAL:**

**VAMP:**

Let the glory of heaven fall, Let the glory of heaven fall  
Let the glory of heaven fall, Let the glory of heaven fall  
Let the glory of heaven fall, Let the glory of heaven fall  
Let the glory of heaven fall, Let the glory of heaven fall

**CHORUS 3:**

Let the glory of heaven fill the valleys of earth  
Through your power and presence, let revival birth  
(\*RIFF: - - )  
On the mountain of Zion, in the city of God  
Flood our hearts with Your presence - let Your Kingdom come!
