INTRO:

VERSE 1:

You say You're near to the broken,
You say Your peace passes understanding,
You say You're hope for the hurting,
Where are You now?

CHORUS:

So come close, I'm on the verge of breaking,
Come close, I'm desperate for Your presence,
Come close, the weight of pain is crushing,
Come close.

VERSE 2:

She touched Your hem and You healed her,
You opened eyes with the dirt we walk on,
When will I wake from this nightmare?
Where are You now? Where are You now?

CHORUS:

INTERLUDE: (x2)

BRIDGE 1:

You are good, You are good, I believe, You are good,
You are good, You are good, I still believe, You are good.

BRIDGE 2:

You are good, You are good, and I believe, You are good,
You are good, You are good, I still believe, that You are good.

CHORUS:

So come close, I'm on the verge of breaking,
Come close, I'm desperate for Your presence,
Come close, the weight of pain is crushing,
Come close.

VERSE 3:

If you're not scared of my questions... Where are You now?
