

# Never Changing [Lyrics]

[West] by Micah Nichols, James Galloway, Martin Chalk

**INTRO:** | | | | | **2X**

**VERSE 1:**

Like a shelter, from (the) wind and rain  
My strong tower, God you never fail  
Like a song, with soaring melody  
You will carry on forever, reign eternally

**CHORUS:**

You are my God, Your matchless love, never failing  
You are my God, Your saving grace, never changing  
All else will fall away, You never change, you never fail

**VERSE 2:**

Like a river, racing to the sea  
Your love flowing, washing over me  
We are sent into a world in need  
Let your power and your presence set the captives free

**CHORUS**

**BRIDGE 1:**

Your love is big enough, Your love is strong enough  
Your love is here right now

**BRIDGE 2:**

**(GUITARS ONLY)** Your love is big enough  
**(BAND IN)** Your love is strong enough  
Your love is here right now

**BREAKDOWN CHORUS:**

You are my God, Your matchless love, never failing  
You are my God, Your saving grace, never changing

**CHORUS**

Your love is here right now
