VERSE 1:

* *

From the Heavens, Grace descended,

*

Formed in flesh, became a man to take a cross,

* *

God's reflection, Pure perfection,

*

Without sin you chose to die to save us all.

PRE-CHORUS:

* *

You didn't stay inside that grave,

There was a world you came to save.

CHORUS:

Je-sus Our King is risen, death was defeated on Calvary,

*** STRAIGHT TO TURN ***

Je-sus He is our freedom, now we can live forever in Your victory.
