

You're The Only One [Lyrics]

[West] by Garrett Abel

VERSE 1:

Beneath the atmosphere we're seeking out to hear
the call that comes from You
And though we often try to find what satisfies, we're
Nothing without You

CHORUS

You're the only one; You're the only one,
Who can save us from the darkness,
And fill us with your light
The only one; You're the only one,
Who can bring the peace we search for
And give eternal life; You're the only one

VERSE 2:

We find that we adore all that we can't afford
And blind our eyes from Truth
Lord, give us nothing more than what we need to store
In Heaven when we're with You

REPEAT CHORUS

BRIDGE 2X:

We will worship You, (and) we'll sing Your praise,
(and) we'll shout Your name
We find hope in You, (in) Your endless love,
(in) Your saving Grace

REPEAT CHORUS
