## INTRO:

### VERSE 1:

We're the free ones now, He has called us out  
Out of the darkness, into His marvelous light  
Now no chains are found, they've all hit the ground  
So we'll run to the battle, cause we're not alone in the fight

### PRE-CHORUS:

We'll catch the wind that's already blowing,  
Swept up in the river that's flowing

### CHORUS 1:

Dead bones start rising, hearts are uniting  
This is the Kingdom, we are the Kingdom of God

### VERSE 2:

No we can't be stopped, this is a move of God  
Burn like a fire, bring your revival through us

### PRE-CHORUS:

### CHORUS 2:

Dead bones start rising, hearts are uniting  
This is the Kingdom, we are the Kingdom of God  
Hope is awakened, we won't be shaken  
This is the Kingdom, we are the Kingdom of God

### BRIDGE 1: (x1 low, x1 building)

We are here and we're just getting started  
We're crushing the powers of darkness  
'till the earth looks like heaven and only His Kingdom remains!

### BRIDGE 2: (x1 building)

We are moving with great expectation for a breakthrough in this generation  
'till the earth looks like heaven and only His Kingdom remains!

### CHORUS 2: \*BIG STOP ON BEAT 1 - BACK IN ON THE m6\*
