## INTRO:

## VERSE 1:

I hear a love song rush over me,  
You sing me out of my deepest grief,  
Above the fear and above the lies,  
Not even for a moment have You ever left my side.

## CHORUS:

Your love will never walk away from me,  
You're close, closer than the air I breathe,  
Your voice calls me into perfect peace,  
Your love will never walk away from me.

**TURN:** ( You never walk away )

## VERSE 2:

Within Your heart, Lord, I will abide,  
Resting on Your wings, I will arise,  
Above the fear and above the lies,  
Not even for a moment have You ever left my side.
