VERSE 1:

Let your word - wash over me
Put roots down deep disrupt my way of thinking
Let your word not go to waste
You are not the one who needs to change

PRE-CHORUS:

The word is a lamp, my light, my guide
It's living and breathing - so I

CHORUS:

Let it in - Your word, Your voice. Let it in - to receive Your joy
Just like it was - your word is power
Written for us - so we may know your love

POST-CHORUS:

Let it in Let it in

VERSE 2:

When your word takes hold of me, I'm captured and somehow completely free
God your word reveals the way, Where I find you is where I will stay

PRE-CHORUS: CHORUS: POST-CHORUS:

BRIDGE 1:

There at the beginning, There until the ending
It is never changing, Your word is working
When I'm unbelieving, Chasing after feelings
You receive my seeking, Your word is working

Break me down and build me - Change my mind, transform me
Until I'm only leaning, On the word you're speaking
Your word is working, Your word is working
